

PAINE'S Celery Compound
GIVES STRENGTH

Mrs. Mary R. Rubright, Hamburg, Pa., writes:

"Three years ago the doctors said I had nervous prostration. I was barely able to stand when I commenced taking Paine's Celery Compound. After taking half a bottle I was able to walk about, and after using three bottles I felt better than I ever did. I could do more work, and working was a pleasure instead of a burden as so many suffering women find it.

"I have since used Paine's Celery Compound for neuralgia and sick headache and always found instant relief."

Paine's Celery Compound keeps the blood pure, the body nourished, the nerves strong.
